### **EHR Resources Earns 10% Interest in La Victoria Gold-Silver Project, Peru**

EHR Resources Limited (the **Company** or **EHX**) is pleased to advise that it has completed the requirements to earn a ten percent (10%) interest in the La Victoria Gold-Silver Project (**Project**) in northern Peru.

EHX was required to spend CAD\$2m on exploration in order to earn a 10% interest in the Project, and this expenditure requirement has now been satisfied.

The Company holds an option to acquire an additional 15% of La Victoria by spending a further CAD\$3m on exploration by July 31, 2018, which it is well funded to meet.

The Company expects to provide an update on recent exploration activities at La Victoria in the near future.
